# Press release

## ***Changes to the composition of the Board of Directors and the Supervisory Board of ArcelorMittal Poland***

Dąbrowa Górnicza, February 26, 2019

**The Supervisory Board of ArcelorMittal Poland has today approved the changes to the composition of company's Board of Directors (BoD). Earlier, changes were made to the Supervisory Board itself.**

Following his appointment as the head of Human Resources and Information Technology at ArcelorMittal Europe – Flat Products, Sanjay Samaddar has decided to step down from the position of the Chairman of the Board of Directors at ArcelorMittal Poland. However, he continues to support the Polish operations since he was appointed Chairman of the Supervisory Board of ArcelorMittal Poland.

Geert Verbeeck, until recently the CEO and deputy chairman of the Board of Directors has been appointed Chairman and Czesław Sikorski - Deputy Chairman of the Board. Additionally, three Chief Operating Officers (COOs) in charge of primary, flat and long operations respectively have joined the Board of Directors.

*- I am glad to welcome Herve, Tomasz and Bogdan to the Board of Directors of ArcelorMittal Poland. I believe that the fact that they will now be involved in the decision-making process at the highest level of our company will foster ownership and add significant value to our operations – says Geert Verbeeck.*

The revised composition of ArcelorMittal Poland's BoD is as follows:

1. Geert Verbeeck, chairman and CEO
2. Czesław Sikorski, deputy chairman
3. Tomasz Dziwniel, board member
4. Bogdan Mikołajczyk, board member
5. Herve Mouille, board member
6. Adam Preiss, board member
7. Tomasz Ślęzak, board member

*- I want to thank all my colleagues at ArcelorMittal Poland for their contribution and support during my tenure since 2009. Those were indeed years of extraordinary investments and transformation with which we have changed the shape of Polish steel – years which I will always cherish – comments*

Sanjay Samaddar. – *I am delighted that the shareholders have given me the privilege of continuing my relation with ArcelorMittal Poland as the Chairman of the company's Supervisory Board and I will continue supporting the group in cooperation with the authorities and the public sector. I am glad that I am handing over the leadership of the BoD to Geert Verbeeck, who has been the CEO and deputy chairman of ArcelorMittal Poland for the past 4 years and has an excellent knowledge of the company's operations. I wish Geert and the new board members the best of luck – he adds.*

**About ArcelorMittal Poland**

*ArcelorMittal Poland is the biggest steel producer on the Polish market with about 70% of production capacity of the Polish steel industry. The company consists of five steel plants located in Krakow, Dabrowa Gornicza, Sosnowiec, Swietochlowice and Chorzow. It also owns the largest coke plant in Europe – ZK Zdzeszowice. ArcelorMittal Poland employs over 10,000 people and over 14,000 if subsidiaries are taken into account. The company produces a wide range of long, flat, special and semi products for construction, transport and white goods industries.*

*The company has transformed Polish steelmaking. It has invested PLN 7 bn in modernizing every stage of the production process. Thanks to increasing H&S standards, the company has reduced its accident frequency rate by more than 90 percent. It has decreased the CO2 emissions by 25 percent, thanks to which it has become more environmentally friendly. The company is 1 of 3 companies worldwide able to produce 120 meter rails.*

*ArcelorMittal Poland is consistently engaged in supporting local communities by carrying out educational, health and safety programmes. The company has invested over PLN 21 m in these projects.*

*ArcelorMittal is the world's leading steel and mining company, with a presence in 60 countries and an industrial footprint in 18 countries. Guided by a philosophy to produce safe, sustainable steel, we are the leading supplier of quality steel in the major global steel markets including automotive, construction, household appliances and packaging, with world-class research and development and outstanding distribution networks.*

*Through our core values of sustainability, quality and leadership, we operate responsibly with respect to the health, safety and wellbeing of our employees, contractors and the communities in which we operate.*

*For us, steel is the fabric of life, as it is at the heart of the modern world from railways to cars and washing machines. We are actively researching and producing steel-based technologies and solutions that make many of the products and components people use in their everyday lives more energy efficient.*

*We are one of the world's five largest producers of iron ore and metallurgical coal. With a geographically diversified portfolio of iron ore and coal assets, we are strategically positioned to serve our network of steel plants and the external global market. While our steel operations are important customers, our supply to the external market is increasing as we grow.*

*In 2018, ArcelorMittal had revenues of \$76.0 billion and crude steel production of 92.5 million metric tonnes, while own iron ore production reached 58.5 million metric tonnes.*

*ArcelorMittal is listed on the stock exchanges of New York (MT), Amsterdam (MT), Paris (MT), Luxembourg (MT) and on the Spanish stock exchanges of Barcelona, Bilbao, Madrid and Valencia (MTS).*
