

Dąbrowa Górnicza, 09.06.2021

Communique regarding the change of the content of the RFQ concerning procedure No. 1/034/2021

In connection with the initiated proceedings in the field of purchase and deliveries (in accordance with DDP INCOTERMS 2010) together with supervision over execution of cooling staves for Blast Furnace No. 2 in Dąbrowa Górnicza carried out as part of the project *“Development and demonstration of an intelligent cooling system for a metallurgical unit by closing and integrating water circuits, increasing the operational reliability of the metallurgical process and improving the efficiency of industrial cooling water use.”* (project no. POIR.01.01.01-00-0034/18), co-financed from the funds of the European Regional Development Fund and as part of the Smart Growth Operational Program 2014-2020, sub-measure 1.1.1 (the call for proposals organized by the National Centre for Research and Development, no. 2/1.1.1/2018), we hereby inform you that in the content of the published procedure, the following changes are introduced:

- The technical specification, attached as Appendix 4 to the Request for Quotation is modified,
- Point IV.2 of the Request for Quotation, chart regarding the entry criteria, is modified (highlighted in blue).
- The wording of "penalties" has been changed to "liquidated damages" in the English version of the Request for Quotation,
- Part of point III. is changed in the English version of the Request for Quotation (marked in blue).

In view of the above, we publish the updated content of the Request for Quotation and technical specification.

The remaining provisions of the Request for Quotation remain unchanged.

**Yours sincerely,
Ordering Party's team**
